NOTICE OF PUBLIC HEARING

In accordance with the provisions of RCW 34.05, notice is hereby given that the Board of Pilotage Commissioners intends to adopt, amend, or repeal rules concerning:

WAC 363-116-082: LIMITATIONS ON NEW PILOTS

The proposed rule modifies license limitations and upgrade requirements for a new pilot in the Grays Harbor Pilotage District. These changes will allow a pilot in his/her first five years to perform pilotage services on vessels more in line with the traffic currently calling in the Grays Harbor District.

A review of all vessels of all tonnages calling in Grays Harbor was made which necessitates adjusting certain tonnage categories within the license limitation table (subsection (4)) and the corresponding license upgrade trip requirements (subsection (5)) in order to move through the process of upgrading one's license more efficiently.

The hearing will be held:

Thursday, September 18, 2014

**2901 Third Avenue
Fifth Floor Alki Conference Room
